

help us **GIVE LOCAL KIDS A STEP UP...**

We are excited to participate once again in the Kicks for Kids campaign—a back-to-school sneaker drive supporting low-income youth. When kids feel good about their appearance, it improves both their self-esteem and their performance in school.

Please consider dropping off a pair (or 10!) of new athletic shoes or sneakers (youth sizes 1-6 and adult sizes 7-9) or a \$20 Payless Shoe Source gift card at our office **now through August 15th**.
