

Referrals & Testimonials for Tina M. Craig

Windermere Real Estate Broker

My wife Annie and I recently relocated to the Lincoln, Washington area from Colorado Springs, Colorado. We contacted Tina after viewing properties for sale in Lincoln on the Windermere website. Windermere marketed the property very well and priced it right! It certainly got our attention; so much that we made an appointment with Tina to look at it. We bought the property. During the whole process Tina was there to support us and really went the "extra mile" for us on several occasions. When we needed help getting our loan approved Tina did not hesitate at all to contact people on our behalf and got us the information we needed. Tina knows the Lincoln area better than any other realtor out there. If you are thinking about buying property in the Lincoln area, my wife and I highly recommend you contact Tina. Now that it's finished, are we glad we went with Windermere and Tina Craig? Absolutely! Would we use Windermere again? Absolutely!

Tina, we've worked with realtors in Utah and Colorado and you surpassed them all. You provided contingencies, when our lender came up with obstacles, which ultimately resulted in the closing of our home. Our sincerest thanks!

My wife and I recently purchased 20 acres in Lincoln County, WA through Tina Craig. Although I am a native of WA, we currently reside on the east coast and were unable to be on location during our purchase. Mrs. Tina went above and beyond her job description taking care of the leg work that we could not. Aside from walking the land with us, all legal transactions were handled via internet and phone. Tina made this process very easy. Doing business with Tina, Windermere, and Pioneer Title Company was a pleasure. We feel that we have not only acquired a beautiful retirement place, but have also made a good neighbor. Thank you Tina! Looking forward to seeing you this summer!

"Tina Craig is awesome! My lake home languished on the market for over two years with little to no interest from buyers. I listed it with Tina at Windermere in the spring of 2013 and she sold it within a year. During that time, Tina was the consummate hard working professional; staying in contact, caring for my property and relentlessly marketing my property. I highly recommend Tina Craig to anyone needing services of a real estate agent. Thank you, Tina Craig!"
