(5) Motor homes, travel trailers, tents and other vacation type vehicles, may be used for living purposes for vacation on any lot, but must not be permanent in nature. Vacation shall be defined as a sixty day (60), period.

(6) The work of construction, altering or repairing any structure on a lot shall be diligently prosecuted from its commencement until completion thereof, but in any event the

exterior portions shall be completed within one year of commencement.

C. BUILDING PLANS must be submitted to an Architectural Committee consisting of three people, declarants and at least one property owner within the plat, for design approval, at least 30 days prior to construction. Approval will be based solely on covenant requirements and approval will not be unreasonably withheld. A decision will be rendered within the 30 day period or approval will automatically be granted.

ARTICLE II

LAND USE RESTRICTIONS.

A. Animals may be kept or permitted on the property as household pets only. Pets must be maintained on lot owners property and not allowed to be a nuisance to other property owners.

B. No signs, billboard or advertising structure shall be located, placed or maintained on the property, except one sign not exceeding 24 inches square may be placed on a lot, either to offer such property for sale or to identify the name of the owner thereof. The declarant reserves the right, for itself, it's heirs, successors and assigns, to place any size sign on the property. Any sign on the property in violation hereof may be removed by declarant.

C. Each lot shall be maintained in a clean, sightly condition at all times and be kept free of litter, junk, containers, equipment and materials. However, reasonable keeping of equipment and materials on a lot during

construction on such lot shall be permitted. All refuse shall be kept in sanitary containers concealed from view, which containers shall be regularly emptied.

D. No noxious or offensive activity shall be carried on or upon any lot nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood including, but not limited to any storage of derelict vehicles on any lot or street.

E. No individual sewage disposal shall be permitted on any lot unless such system is designed, located and constructed in accordance with the requirements, standards and recommendations of Lincoln County ordinances and directives. Approval of such system as installed shall be obtained from such authority.

ARTICLE III

EASEMENTS AND RESTRICTIONS.

A. Declarants grant each lot owner together with owners of adjacent tract owners of property described in exhibit (A-1) attached, the right of an appurtenant easement for ingress and egress and utilities. This easement shall be in common with and appurtenant to, all of the property described in Schedule (A-1). This easement shall be sixty feet in width being thirty feet on either side of the centerline of existing roads over and across the property described in Schedule (A-1) and any extensions thereof that declarant may make over parcels described in Schedule (A-1). The declarant shall have the right and option to

way and to dedicate portions of said roads to Lincoln County as public roads.

B. The maintenance and repair of roads shall be undertaken by a Road Committee of three owners within the boundaries of property described in Schedule (A-1) elected by a majority of property owners voting in an election called upon fifteen (15) days written notice, sent to the address to which the County Treasurer sends tax notices. The Committee shall serve for terms of three years. All costs of road maintenance and upkeep by road committee shall be assessed against land owners on the basis of acreage within the boundaries of property described in SCHEDULE (A-1). Declarant's property owned within Schedule (A-1) shall not be obligated for the costs of road maintenance, furthermore, the acreage owned by Declarant shall not be considered in determining basis of acreage for prorata cost allocation between owners. All costs of road maintenance and repair shall be assessed when due and shall be a lien upon the property enforceable at law. A property owner may be denied use of said roads during any period that said charges remain unpaid after written notice of delinquency.

C. Declarant and or assigns shall have perpetual rights to ingress & egress over all existing roads or roads to be built in all plats of Deer Meadows and property described in Schedule (A-1).

D. The lot owners covenant and agree not to object to nor protest any conditional use, zone change or other variance

or approval requested by Developer, their heirs, successors or assigns for their development of the remainder of property covered in Schedule (A-1).

ARTICLE IV

DEER MEADOWS WATER SYSTEM

A. All lots, except lots 27 and 30, will be served by the DEER MEADOWS WATER SYSTEM, a privately owned system operating under Washington State ground water permit WGS-20837P and approved by the Washington State Department of Health. The system meets all current health requirements and will be operated by a licensed operator, in accordance with rules set by the Washington State Transportation and Utilities Commission when adequate numbers are using the system.

B. Drilling of private wells are not allowed on any lot in Deer Meadows Plat 1, except on lots 1, 23, 24, 26, 29, 31, 37, 38 and 39.

C. The Water System is composed of a well 176 feet deep, and tested at 750 gpm., ground water permit for 875 acre feet per year continuously, for a community domestic supply. Together with a pump, 100,000 gallon storage tank, lines to the various lots with one outlet on each for domestic water supply. There are provisions for expansion of the water system to other areas for additional lots, such expansion shall be at the sole discretion of the Grantor.

Grantor reserves title to the Water System, including, but not limited to the present Well, Pump, Pipeline, Storage Tank, or other items appurtenant thereto, as well as an

easement over and across the lands conveyed for pipelines leading from said well, where they currently exist or are hereafter located by agreement between parties, their heirs, successors or assigns.

Grantor (water purveyor) reserves the right to sell the System, declare it a Water District by complying with the necessary documentation, or turn it over to a home owners association at Grantors sole discretion.

D. WATER FEES:

A hookup fee will be charged when a lot owner wishes to connect to the water system. This fee includes meter costs, shut off valve and excavation. The lines within the lot are the owners responsibility and shall meet all State and County codes.

A minimum monthly charge will provide 5000 gallons, with additional charges for each 1000 gallons used, (see current statement for amounts.) There will be a small fee for lot owners who are non users of the Water System, except for those who purchased prior to June 30, 1992 and lots 37 & 38.

E. LIEN:

Water assessments not paid within 30 days of the due date shall automatically become a lien upon the lot served. Any fees not paid within 30 days of the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or the highest rate permitted by law, whichever is less. In the event that any owner shall fail to pay any assessment within thirty (30) days following the receipt of a registered request, in writing, from the Deer

Deer Meadows Water system, an action shall be brought to foreclose such lien. This action shall then include the costs and expenses, including attorney fees, incurred in collection or attempting to collect such assessment. No action shall be brought to foreclose such lien until Notice of Lien is mailed to such owner, and a copy thereof is recorded in the office of the Auditor of the county in which the property is situated. Such Lien may be enforced by sale, of the property, by the Deer Meadows Water system, after failure of the owner to pay such assessment in accordance with the provision of lien foreclosure section of the Washington State Statutes.

ARTICLE V

GENERAL PROVISIONS.

- A. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of Ten (10) years from date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.
- B. Enforcement of these covenants shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.
- C. Invalidation of any one of these covenants by judgement or court order shall in no wise affect any of the other.

provisions which shall remain in full force and effect.

Dated this 10 day of August, 1992.

IN WITNESS WHEREOF, the undersigned, being the Grantors herein, has executed this declaration on the year and date above written.
